texen Beauty Partners *The Moon Collection* COLOR COSMETICS SKIN CARE

Waning Gibbous Moon
Hybrid brush with a comb integrated in cap accessory for a clean volume and definition makeup result.

Waning Crescent Moon
Small fiber brush with an accessory in cap to improve the clearingness of a curly makeup result.

Full Moon
Unique soft and adapted flocked brush for a new gesture to remove the makeup.

New Moon
Metal brush for a new gesture to reach the root of the lashes providing definition and volume.

Waxing Gibbous Moon
A patented innovative twist mechanism placing a small brush inside of the classic mascara brush for a full coverage of all the lashes. Can also be used on brows.

Waxing Crescent Moon
A patented innovative twist mechanism placing a liner inside of the classic mascara brush. A perfect match between your eyeliner and mascara. Can be used with lash care.
